

Gilford Parks and Recreation

**CodeWiz**

# Minecraft World Builder

**Open to children ages 7-12**

**Thursday Evenings from 6:00-7:00pm (Virtual Via Zoom)**

**May 6 – June 10, 2021**

**Cost: 150.00 per participant**

**Deadline to Register is Friday, April 30<sup>th</sup>**

Space is limited and participants will be accepted on a first come basis!

In this popular course, your student will work with others to run a city, manage money, and protect the environment, all within the 3D world of the popular game Minecraft. Instead of coding, students play Minecraft to develop presentation and teamwork skills and learn real-world economics, city planning, and life management.

**Computer requirements** - This class requires Minecraft Java edition to be installed on a PC or Mac Laptop/Desktop Computer. Students must create an account if they don't already have a Minecraft account on [minecraft.net](https://minecraft.net) The cost of this is \$26 and is in no way related to or benefits Code Wiz Arlington.

*(Minecraft Bedrock edition/windows 10 edition are not compatible. Mobile devices, gaming consoles, and Chromebooks are not suitable for Minecraft classes!)*
